

35TH euro-ix FORUM GUIDE

ZAANDAM, 20 - 22 OCTOBER,
2019

HOSTED BY

amsix

HOST WELCOME

"This year at AMS-IX we are celebrating our 25-year anniversary and we are excited to be hosting the 35th edition of the Euro-IX Forum that is taking place in Zaandam, a city in the province of North Holland, the Netherlands"

ABOUT AMS-IX

AMS-IX has been operating at the core of the internet by delivering high quality interconnection services to a wide range of businesses worldwide, for over 25 years.

Headquartered in Amsterdam, the Netherlands, it operates six independent interconnection platforms in Europe, Hong Kong, India, United States and the Caribbean region, as well as white-labelled IX-as-a-Service (IXaaS) instances on behalf of third parties.

SOME TIPS

GETTING TO AMSTERDAM

From Schiphol Airport: There is a direct connection by train. Frequency: approximately every 30 minutes. Duration: 19 minutes.

There are also several connections throughout the day involving one change of trains in-between Schiphol Airport and Zaandam. Plan your trip beforehand via the public transport planner:

- 9292
- NS.nl

Taxi: Get a taxi from the designated taxi area outside of Schiphol Airport or pre-book a taxi online via sneleentaxi.nl

RESTAURANTS

Zaandam is located by the river Zaan, just one train-stop away from the city of Amsterdam. You can experience Dutch snacks (e.g. Bitterballen, Patatje Oorlog, Croquettes etc.) over beers or try out Dutch dishes (e.g. Stamppot, Hutspot etc.) at one of the many restaurants in the area. Find a list of the best restaurants in Zaandam [here](#).

WHAT TO SEE

CZAR PETER HOUSE

The Czar Peter House is a historical building in Zaandam, the Netherlands. It is best known as the place where Czar Peter I of Russia resided in 1697 during his Grand Embassy. The building was constructed in 1632.

ZAANSE SCHANS

An open-air museum that recreates the atmosphere and look of a Dutch village, with wooden houses and windmills dating from the 18th and 19th centuries. It houses seven different museums and it is located only 15 minutes away by car or bus from Zaandam, Het Mennistenerf.

ZAANS MUSEUM & VERKADE EXPERIENCE

Zaans Museum is also located at the Zaanse Schans. It opened in 1998 to preserve and protect the heritage of the Zaan area. You can also visit the chocolate and biscuit factory and discover how Verkaide biscuits were made, its packaging, graphic design, paintings, photographs, films, Zaans painted furniture and utensils.

ABOUT THE FORUM

**FORUM HOTEL: INNTEL HOTELS
ZAANDAM, PROVINCIALEWEG 102, 1506 MD
ZAANDAM, NETHERLANDS**

The Euro-IX team is very excited to welcome you all to the 35th Forum!

It all kicks off with a nice tour around Zaanse Schans organised by AMS-IX, which you are sure to enjoy. Those of you who have signed up will definitely enjoy it.

We have a great agenda planned thanks to the awesome work of the FPC, along with social activities for networking - on Sunday and Monday evening.

Additionally, all new attendees are invited to the 'Newcomers Breakfast' on Monday morning, with the Euro-IX welcoming team, the Icebreakers!

Remember - we are always open to any suggestions or ideas.

Safe travels and see you in Zaandam!

FELLOWSHIP PROGRAM

We are pleased to announce that Enes Halilović will attend the 35th Forum on the Fellowship Program. Enes is a Network Architect at Bosnia & Herzegovina Internet Exchange - BHNIX, ran by the University Tele-Informatics Center (UTIC) in Sarajevo.

The Director of UTIC, Elmedin Selmanovic will also attend the forum.

Thank you to all the organisations who support the Fellowship Program.

To find out more about the Program and how you can get involved, visit the Fellowship page.

ENES HALILOVIĆ

Network Architect in University of Sarajevo - UTIC

Establishment of the very first Neutral Internet Exchange Point (IXP) in Bosnia and Herzegovina – BHNIX

The University Tele-Informatics Center (UTIC) was established in 1996 and became the first Internet access provider (ISP) in Bosnia and Herzegovina. Additionally, UTIC has been assigned a significant role of the national registry of .BA domains, a key resource for the development of the Internet in Bosnia and Herzegovina. Within the University of Sarajevo (UNSA), UTIC is the leading institution in the field of information and communication technologies (ICT). UTIC sees itself as a neutral entity, with enough knowledge and ability to initialize and lead the project of establishing first Neutral Internet Exchange Point in Bosnia and Herzegovina – BHNIX and common good services.

Developing of BHNIX started after the IGF meeting in 2017, and resulted with a signed agreement between three major ISP's in Bosnia and Herzegovina and University of Sarajevo on 28/04/2018. BHNIX is planning to officially start on November 1st 2019. We would like use the Euro-IX forum to announce the starting date of BHNIX and to invite all interested parties to join us.
